Subject: current draft of discussion paper on CA - AG AE & CBD Letter  
Attachments: Discussion of Center for Biological Diversity(MD)\_revised.docx

Hi Holly,

Here's the current draft of the discussion paper. David and Michele have this version as well, but are at the DOGGR meeting this afternoon and most likely will not be able to get back to me until mid-day my time tomorrow.

Depending on how the meeting with DOGGR goes today, there may be some changes to this paper... and I can make those changes tomorrow afternoon or first thing on Monday morning.

Thanks,  
Lisa
